Access to Specific Information and Data Portability Rights. You have the right to request that we disclose certain information to you about our collection and use of your personal information over the past twelve (12) months. Once we receive and confirm your verifiable consumer request (see Exercising Access, Data Portability, and Deletion Rights), we will disclose to you:

- The categories of sources for the personal information we collected about you.
- Our business or commercial purpose for collecting or selling that personal information.

Choices About How We Use and Disclose Your Information. We strive to provide you with choices regarding the Personal Information you provide to us. We have created mechanisms to provide you with the following control over your information:

- **Tracking Technologies and Advertising.** You can set your browser to refuse all or some browser cookies, or to alert you when cookies are being sent. To learn how you can manage your cookie settings, you may visit <https://www.aboutads.info/choices>. You can also switch non-essential cookies off through the cookies banner available on our Website. You may need to do this again each time you use a different IP address or device. If you disable or refuse cookies, please note that some parts of this site may then be inaccessible or not function properly.
- **Disclosure of Your Information for Third-Party Advertising.** If you do not want us to share your personal information with unaffiliated or non-agent third parties for promotional purposes by way of tracking technologies, please switch non-essential cookies off through the cookies banner available on our Website.
- **Promotional Offers from the Company.** If you do not wish to have your contact information (including e-mail address) used by the Company to promote our own or third parties' products or services, you can opt-out clicking the "unsubscribe" link at the bottom of the relevant promotional e-mail or by sending us an e-mail stating your request to privacy@calipsa.io. If we have sent you a promotional e-mail, you may send us a return e-mail asking to be omitted from future e-mail distributions. This opt out does not apply to information provided to the Company as a result of a product purchase, warranty registration, product service experience or other transactions.
- **Targeted Advertising.** If you do not want us to use information that we collect or that you provide to us to deliver advertisements according to our advertisers' target-audience preferences, you can set your browser opt-out by using the cookies banner available on our Website. For this opt-out to function, you must have your browser set to accept browser cookies.

We do not control third parties' collection or use of your information to serve interest-based advertising. These third parties, however, may provide you with ways to choose not to have your information collected or used in this way. You can opt out of receiving targeted ads from members of the Network Advertising Initiative ("NAI") on the NAI's [website](#).

Deletion Request Rights. You have the right to request that we delete any of your personal information that we collected from you and retained, subject to certain exceptions. Once we receive and confirm your verifiable consumer request (see Exercising Access, Data Portability, and Deletion Rights), we will delete (and direct our service providers and Affiliates to delete) your personal information from our records, unless an exception applies.

We may deny your deletion request if retaining the information is necessary for us or our service provider(s) or Affiliates to:

- Complete the transaction for which we collected the personal information, provide a good or service that you requested, take actions reasonably anticipated within the context of our ongoing business relationship with you, or otherwise perform our contract with you.
- Detect security incidents, protect against malicious, deceptive, fraudulent, or illegal activity, or prosecute those responsible for such activities.
- Debug products to identify and repair errors that impair existing intended functionality.
- Exercise free speech, ensure the right of another consumer to exercise their free speech rights, or exercise another right provided for by law.
- Comply with the California Electronic Communications Privacy Act (Cal. Penal Code § 1546 *et. seq.*).
- Engage in public or peer-reviewed scientific, historical, or statistical research in the public interest that adheres to all other applicable ethics and privacy laws, when the information's deletion may likely render impossible or seriously impair the research's achievement, if you previously provided informed consent.
- Enable solely internal uses that are reasonably aligned with consumer expectations based on your relationship with us.
- Comply with a legal obligation.

- Make other internal and lawful uses of that information that are compatible with the context in which you provided it.

Exercising Access, Data Portability, and Deletion Rights. To exercise the access, data portability, and deletion rights described above, please submit a verifiable consumer request to us by e-mailing us at privacy@calipsa.io.

Only you, or someone legally authorized to act on your behalf, may make a verifiable consumer request related to your personal information. You may also make a verifiable consumer request on behalf of your minor child.

You may only make a verifiable consumer request for access or data portability twice within a 12-month period. The verifiable consumer request must:

- Provide sufficient information that allows us to reasonably verify you are the person about whom we collected personal information or an authorized representative.
- Describe your request with sufficient detail that allows us to properly understand, evaluate, and respond to it.

We cannot respond to your request or provide you with personal information if we cannot verify your identity or authority to make the request and confirm the personal information relates to you.

Making a verifiable consumer request does not require you to create an account with us.

We will only use personal information provided in a verifiable consumer request to verify the requestor's identity or authority to make the request.

Response Timing and Format. We endeavor to respond to a verifiable consumer request within forty-five (45) days of its receipt. If we require more time (up to 90 days), we will inform you of the reason and extension period in writing.

If you have an account with us, we will deliver our written response to that account. If you do not have an account with us, we will deliver our written response by mail or electronically, at your option.

Any disclosures we provide will only cover the 12-month period preceding the verifiable consumer request's receipt. The response we provide will also explain the reasons we cannot comply with a request, if applicable. For data portability requests, we will select a format to provide your personal information that is readily useable and should allow you to transmit the information from one entity to another entity without hindrance, specifically PDF format.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that the request warrants a fee, we will tell you why we made that decision and provide you with a cost estimate before completing your request.

NON-DISCRIMINATION

We will not discriminate against you for exercising any of your CCPA rights. Unless permitted by the CCPA, we will not:

- Deny you goods or services.
- Charge you different prices or rates for goods or services, including through granting discounts or other benefits, or imposing penalties.
- Provide you a different level or quality of goods or services.
- Suggest that you may receive a different price or rate for goods or services or a different level or quality of goods or services.

We may, however, offer you certain financial incentives permitted by the CCPA that **can result** in different prices, rates, or quality levels. Any CCPA-permitted financial incentive we offer will reasonably relate to your personal information's value and contain written terms that describe the program's material aspects. Participation in a financial incentive program requires your prior opt in consent, which you may revoke at any time.

OTHER CALIFORNIA PRIVACY RIGHTS

California's "Shine the Light" law (Civil Code Section § 1798.83) permits users of our Website that are California residents to request certain information regarding our disclosure of personal information to third parties for their direct marketing purposes. To make such a request, please send an e-mail to privacy@calipsa.io.

Under California's "Shine the Light" law, residents of California are further entitled to be advised how we handle "Do Not Track" browser signals. Because there currently is no industry or legal standard for recognizing or honoring "Do Not Track" browser signals, we do not respond to Do Not Track requests at this time. We use the usual types of tracking systems that are standard practice in advertising (e.g., Google AdWords) to track you over time and across third-party websites to provide targeted advertising and therefore do not respond to "Do Not Track" signals.

CHANGES TO OUR PRIVACY NOTICE

We reserve the right to amend this privacy notice at our discretion and any time. When we make changes to this privacy notice, we will post the updated notice on the Website and update the notice's effective date. **Your continued use of our Website and/or Services following the posting of changes constitutes your acceptance of such changes.**
